Day Three

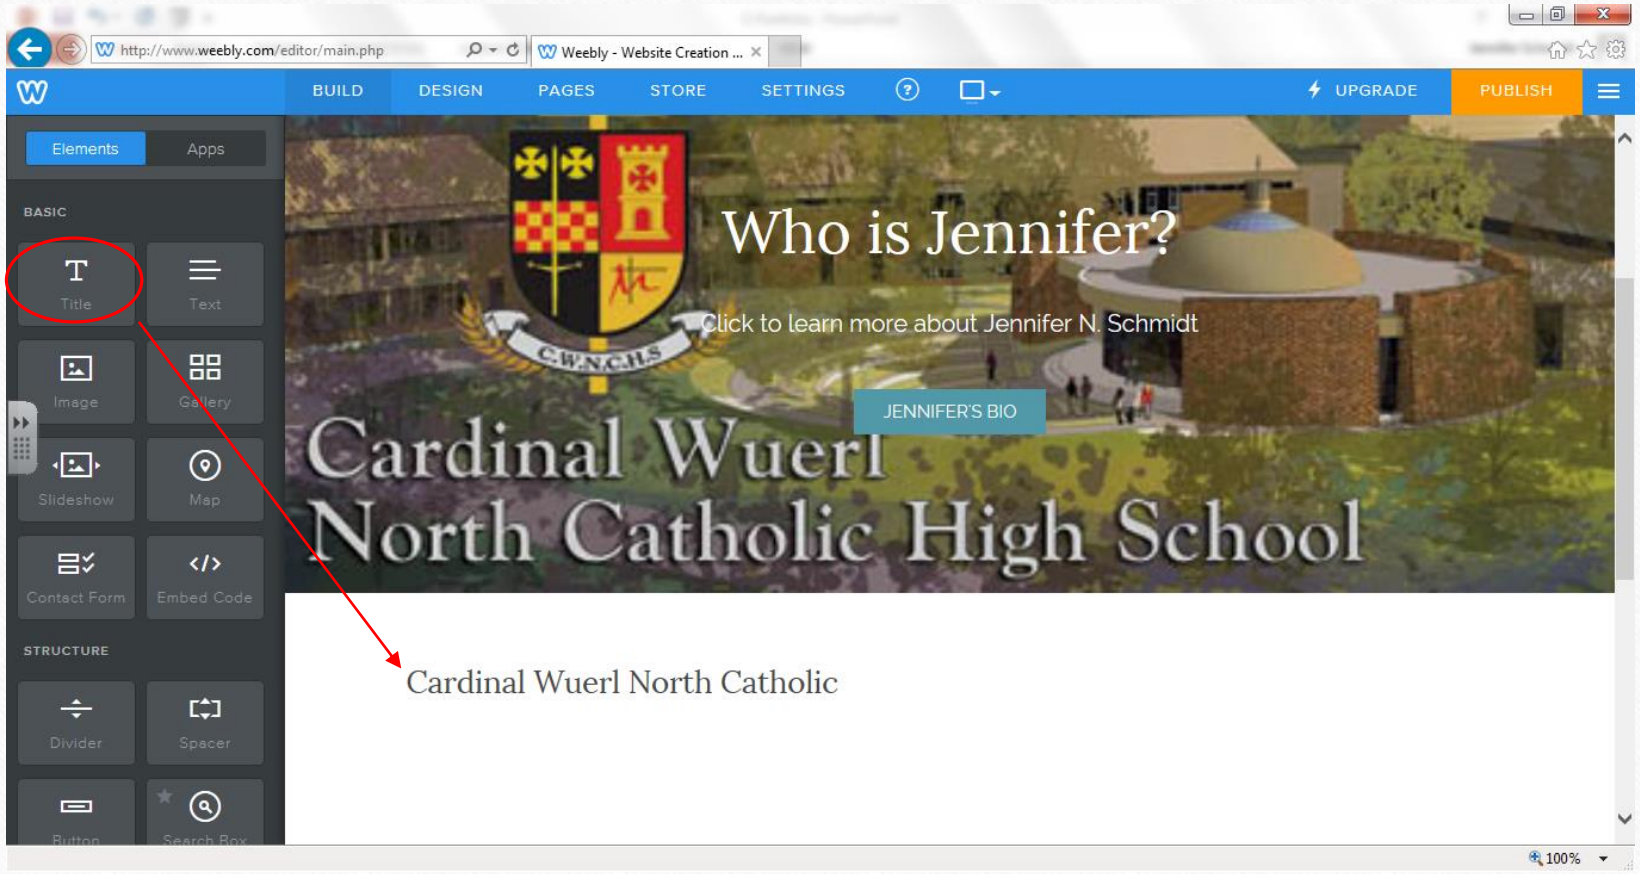
Autobiography: Editing Workshop

Take 15 minutes to share your writing with peers. While conferencing, reference the checklist provided via email. Were all requirements met? Is the bio a brief but comprehensive representation of the student? Provide feedback on content, as well as basic grammar and conventions.

Then take a few minutes to make appropriate revisions and hit "Publish."

Step 28

- While on the home page, select "Build" and drag and drop a "Title" box. Edit text to read "Cardinal Wuerl North Catholic."



Step 29

- Below the title, drag and drop a "Text" box and enter the school
